Only two more opportunities exist through 2022 to join HV CoIIN 2.0’s CQI movement. Participating in HV CoIIN 2.0 has been proven to be effective. Get the support you need to bolster capacity and ignite breakthrough change for children and families. Please register for the series here.

For questions email: HVCOIIN2.0@edc.org

Here’s what MIECHV awardees from Cohort 1 are saying:

**January 22, 2020 from 1:30-2:00 ET**

**Breakthrough Benefits**

In this session, you’ll hear about the importance of spread work, ways to spread, and how Rhode Island’s state MIECHV team and local implementing agencies are moving towards breakthrough change in maternal depression outcomes across the state.

**Speakers:** Cindy Phillips, Director, Division of Home Visiting and Early Childhood Systems, MCHB, HRSA, HHS; Marie Schall, Senior Director, Institute for Healthcare Improvement, Rhode Island’s MIECHV awardees

**February 19, 2020 from 2:00-2:30 ET**

**How You Can Achieve Breakthrough Benefits**

In this session, Alabama and Louisiana state MIECHV teams share their journey from small scale CQI projects to running their statewide collaboratives—spreading tested interventions using the Breakthrough Series Framework and reaching breakthrough change with local agencies throughout their states.

**Speakers:** Alabama and Louisiana MIECHV awardees

**March 25, 2020 from 1:30-2:00 ET**

**Innovations**

In this session, you’ll find out how New Jersey and West Virginia state MIECHV teams and local implementing agencies are igniting parent leadership in CQI—coproducing service improvements.

**Speakers:** Monique Fountain Hanna, Chief Medical Officer/CQI and Innovation Advisor, MCHB, HRSA, HHS; New Jersey and West Virginia MIECHV awardees

**April 22, 2020 from 1:30-2:00 ET**

**What is Next?**

In this session, we’ll give you a sneak preview of our next wave of improvement and innovation topics and how to join this national movement! You’ll learn how our support works, why this will work for you, and the flexible coaching, tools, and resources that you’ll receive.

**Speakers:** Monique Fountain Hanna, Chief Medical Officer/CQI & Innovation Advisor, MCHB, HRSA, HHS; Mary Mackrain, Managing Project Director, HV CoIIN 2.0 and video tips and lessons from participating awardees

**April 22, 2020 from 1:30-2:00 ET**

**Our work with CoIIN has had a ripple effect…This work is getting attention in our state which will create goodwill for other QI projects.**

**“The one-on-one coaching has been invaluable.”**

**“The guidance we received from HV CoIIN 2.0 was indispensable to our success as a state.”**

**“Access to the Breakthrough Series Training from IHI is a huge benefit. It’s so comprehensive it would have been inaccessible without HV CoIIN 2.0.”**

**“The technology is so helpful. It’s a tool we wouldn’t be able to build ourselves. We don’t have that capacity without you guys.”**

**“The guidance we received from HV CoIIN 2.0 was indispensable to our success as a state.”**

**“The guidance we received from HV CoIIN 2.0 was indispensable to our success as a state.”**

We look forward to “virtually” connecting!

Are you wondering how you can access these supports? Join us for our monthly “coffee breaks” (30-minute) virtual sessions to learn about:

- Come explore your colleagues’ exciting results, learn about new and innovative resources, and hear how to join the growing national network of CQI champions.
- We look forward to “virtually” connecting!
